Opportunity to Object to Coeur Alaska's Kensington Gold Mine 2018-2022 Exploration Project

The Forest Service has completed its Environmental Assessment (EA) for Coeur Alaska's Kensington Gold Mine 2018-2022 Exploration Project. The EA has been provided to those who requested it and is available online. Previously, on December 20, 2017, a Legal Notice for Comment was published and delivered to those who requested to be on the project mailing list and to those who submitted written comments related to the project during scoping. The legal notice published today initiates an opportunity to object to the project. The Responsible Official for this project is Brad Orr, Juneau District Ranger, 8510 Mendenhall Loop Road, Juneau, Alaska 99801, (907)789-8800, borr@fs.fed.us. A copy of the EA, Draft Decision Notice and Finding of No Significant Impact, and additional information regarding this proposed project can be obtained from: Curtis Caton, 8510 Mendenhall Loop Road, Juneau, Alaska 99801, (907)789-6273, curtis.caton@fs.fed.us, or can be found at: <http://www.fs.usda.gov/project/?project=51870>.

This proposed project is subject to a pre-decisional administrative review (objection) pursuant to 36 CFR 218, Subpart B. Objections will be accepted only from those who previously submitted timely, specific written comments regarding the proposed project either during scoping or other designated opportunity for public comment in accordance with 36 CFR 218.5(a). Issues raised in objections must be based on previously submitted timely, specific written comments regarding the proposed project unless based on new information arising after designated public comment opportunities. Individual members of organizations must have submitted their own comments to be eligible to object; objections received on behalf of an organization are considered those of the organization only. If an objection is submitted on behalf of a number of individuals or organizations, each individual or organization listed must meet the eligibility requirements (36 CFR 218.5(d)). Names and addresses of objectors will become part of the public record.

Incorporation of documents by reference in an objection is permitted only as provided for at 36 CFR 218.8(b). Minimum content requirements of an objection are identified in 36 CFR 218.8(d) and include: objector's name, address, and telephone number, if available (signature or other verification of authorship must be supplied upon request); identification of the lead objector when multiple names are listed, along with verification upon request; name of project, name and title of the responsible official, National Forest/Ranger District of project; sufficient narrative description of those aspects of the proposed project objected to; specific issues related to the project; how environmental law, regulation, or statement demonstrating the connection between prior specific written comments on this project and the content of the objection, unless the objection issue arose after the designated opportunity for comment.

Send objections to the Reviewing Officer: Earl Stewart, Forest Supervisor, ATTN: Objection to Coeur Alaska's Kensington Gold Mine 2018-2022 Exploration Project, 648 Mission Street, Ketchikan, AK 99901 or Fax: (907) 228-6215 or email to: objections-alaska-tongass@fs.fed.us

Written objections, including any attachments, must be filed (U.S. Mail, fax, email, hand-delivery, or express delivery) with the Reviewing Officer within 45 days following the publication date of this legal notice in the newspaper of record. The office business hours for those submitting hand-delivered objections are 8 am to 4:30 pm, Monday through Friday, excluding holidays. Electronic objections must be submitted in a format compatible with the current version of MS Word. It is the responsibility of objectors to ensure their objection is received in a timely manner (36 CFR 218.9).

The publication date in the Juneau Empire, newspaper of record, is the exclusive means for calculating the time to file an objection of this project. Those wishing to object to this proposed project should not rely upon dates or timeframe information provided by any other source.
